

Appointment of Members to Committees

To appoint Members to Committees until the next Annual General Meeting of the Authority in accordance with Paragraph 13(3) of Schedule 7 to the Environment Act 1995 (two thirds local authority appointed members and one third Welsh Government appointed members).

Both local authority and Welsh Government appointed members have held informal meetings prior to this meeting in order to discuss their appointments for the next year.

Procedural Notes

- 1. At the meeting a paper will be tabled with the suggested changes arising out of both these meetings, and the Democratic Services Manager will read these out for each committee.**
- 2. A quick guide to what each committee and working group does is attached to this report but members are advised to look at the Terms of Reference and Scheme of Delegation in the library on the website for more detailed information.**
- 3. The current membership for 2018/19 is attached for reference only and does not constitute recommendations for the Annual General Meeting. It shows current vacancies which have arisen as a result of recent changes to the Authority's membership following local government elections.**
