

Survey: Barriers to accessing the Brecon Beacons National Park

Name (group or individual)

Date:

1. How often do you or your group currently visit or, if resident, get out and about in the National Park?
2. Which sites or areas do you visit in the Brecon Beacons National Park? What do you enjoy doing there?
3. What do you think are the 5 biggest barriers preventing you or your group from accessing the National Park more often. Eg transport, accessing information, accessing paths, Please put in order if possible and a little detail on why you have listed it e.g. not accessible by public transport, can't find information online

5

4. Are there any other barriers you can think of?

5. What could be done to make it easier for you or your group to access the Park? We would particularly like to know about information we can provide, where and how we provide it (e.g. easy access walks) or path /National Park visitor centre improvements.

6. What places in the National Park are you most likely to want to visit and what would you like to do there? eg walk, cycle, shopping, picnic, geocaching.

7. Any other thoughts or comments?
